

REMARKS

Applicant has read and considered the Office Action dated August 26, 2005 and references cited therein. Claim 51 has been cancelled without prejudice or disclaimer. Claim 21 has been amended. Claims 20-21 and 53-70 are currently pending.

In the Office Action, the indicated allowability of claim 51 has been withdrawn. Claim 51 was rejected under 35 U.S.C. §103(a) as being unpatentable over Okada et al. in view of Street, Iddan et al., and Pourcelot et al. Claim 51 has been cancelled without prejudice or disclaimer. Applicant asserts that the rejection is moot.

Claims 20-21 and 53-70 were allowed. Applicant thanks the Examiner for the allowance of these claims. Claim 21 has been amended to reflect the previous agreement with the Examiner regarding antecedent basis for the light source in the claim. Applicant asserts that no new matter has been added and that these claims are allowable over the prior art.

A speedy and favorable action in the form of a Notice of Allowance is hereby solicited. If the Examiner feels that a telephone interview would be helpful in this matter, please contact Applicant's Representative at 612-336-4728.

Respectfully submitted,

MERCHANT & GOULD P.C.
